

LIVE THE Quest

COMPASS OF WONDER Reminders to Keep You On-Track

RISE ABOVE  *Live in a hut of questions more than in an ivory tower of answers.*

CREATE WITH INTEGRITY, NOT IN BATTLE.

THE “rest of your life” OUTSIDE OF CREATIVE WORK IS PART OF YOUR *CREATIVE QUEST*, TOO.  **DESIGN ELEGANT CREATIVE LIFE SYSTEMS, HABITS, AND SKILLS. THEN TWEAK AND HONE THEM ON PURPOSE.**

Face uncertainty and challenges with wit, wisdom, and wonder.

GET GRIT. *Act, practice, and live designed for improvement.*

BOUNCE BACK. *Open up instead of size up. Observe the mind and world with openness.*   

Shape, share, and **LIVE THE STORY** that burns inside your body - not the “stories” that buzz in your head.

Honor the feeling. THEN HONOR THE STORY, FORM, CRAFT, AND AUDIENCE THAT GIVE SHAPE TO THAT FEELING.

 **DO IT TOGETHER**
DIT more than DIY.

Make a book. *Engage to make a difference.*

Make a brand. *Give and take with wise failure.*

Make a difference.

Design change-making experiences.

The new world waits.

Invite wonder at every junction.

 **DON'T JUST BUILD A LIST. BUILD UP YOUR PATCH OF THE PLANET.**

Fill in your own
discoveries
and share with
your own pack.
