

# Jeffrey Davis

Author and Founder of  
Tracking Wonder Consulting

Keynote Speaker

Author

Coach and Trainer

I help teams and individuals stay flexible, buoyant, and genuinely connected in this new world of work.

Founder of Tracking Wonder Consulting, Jeffrey Davis partners with mission-centered innovators and organizations to foster learning cultures of openness and radical possibility. His and his team's distinct capabilities are designing work cultures of wonder, delight, & insight, as well as helping individuals shape an intentional life with more meaning and possibility.

Based on over 15 years of applying the science of innovation, mindfulness and human flourishing, our body of work has literally helped thousands of people across industries advance their bold ideas without burning out or burning bridges along the way.

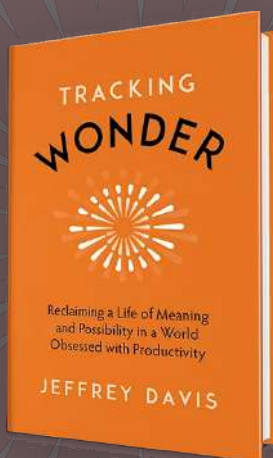

## Keynote Topics

- **BREAKING BETTER VS BREAKING BAD** - In this talk, Jeffrey Davis lays out the evidence for why human beings are more distracted in our times than ever and what we can do about it from the individual level and the systems level.
- **WHY WONDER NOW** - In this talk, Jeffrey offers a short story of humanity to demonstrate how "the lost art of wonder" opens a pathway to greater creativity and fulfillment.

## Workshop & Programs

- **WONDER LABS**- can be half-day or full-day experiences, aimed to help teams be flexible, focused and collaborative. Each lab is customized for the audience and situation.
- **WONDER INTERVENTIONS AT WORK** -for creative entrepreneurs & professionals hungry to break better in their work flow.

## Why work with Jeffrey

- Responsive Communication from us.
- Customized design tailored to your specific audience needs.
- Not just talks but a full audience immersive experience.
- PR boost for your events through our social media channels and blogs.

It was an absolute pleasure to work with Jeffrey

"His ability to take his experience and deliver it in such a way that he understood the character profile of the group and unique needs of our region and organization was refreshing in a keynote space that is dominated by cookie-cutter presenters and styles."
